The Colorado Statutes and the District's Service Plan indicate that the business and affairs of the District shall be governed by a 5-Members Board of Directors. Board members must be a resident, property owner, or can be deemed eligible pursuant to certain contract situations. Directors are elected at regularly scheduled elections in May of even numbered years, to serve 4-years staggered terms.

Through the Board of Directors the District has the following (non-inclusive) powers:

- the power and responsibility to enter into contracts;
- acquire and dispose property and equipment;
- hire agents and employees;
- adopt a budget and set procedures;
- enter into agreements with other entities for the joint provisions of services and/or projects;
- to fulfill other such corporate functions as necessary to meet the needs of the community.

The consultants serving the District are appointed by, and serve at the pleasure of, the Board of Directors.
