Re: C470 Grade Separated Trail over Yosemite Street

Dear Art:

Thank you for your August 21<sup>st</sup> memorandum to Mr. Blodgett describing the potential approval and future funding for this project.

At our August 25<sup>th</sup> Board meeting, the Board approved in concept a contribution of 400,000 based on our understanding that the project is estimated to cost \$3,300,000 in 2019 and the County is requesting \$2,000,000 (60%) in federal funds from DRCOG, \$400,000 from PMMD, \$200,000 from Lone Tree, \$650,000 from the County for construction and \$350,000 from the County for pre-construction project related costs.

Please understand that this Board cannot bind future boards and, due to legal constraints, a final firm commitment for the project will necessarily be approved in the context of budgeting for the District's 2019 projects. However, at this time we are supportive of contributing \$400,000 toward this project.

Please don't hesitate to let Mr. Blodgett, District Manager, or me know if you require additional information.

Sincerely yours,
